"Without Prejudice"

As a full and final settlement of Association Grievance A-12-07, the Parties agree to vary Clauses 9.06 and 9.11 of the MUN-MUNFA Collective Agreement (Oct. 30, 2014 - August 31, 2017) as follows:

- 9.06 The assessment file shall be deemed to be an annex to the official personal file. As new documents are created or obtained in the assessment process, they shall be added to the assessment file by the Administrative Head. In addition, the Administrative Head shall ensure that any such documents not previously copied to the candidate shall be copied to him or her. The candidate has a right to insert a response but shall not insert any new, substantive material in the assessment file after the Committee has submitted its report. No material shall be included in the file which does not meet the requirements governing the inclusion of material in the official personal file as specified in Clauses 1.45 to 1.68, except that the candidate may submit copies of books, articles or other similar materials for assessment purposes. The material in this file shall be governed by the provisions of Clause 3.05.
- 9.11 After the Committee has submitted its report, no new material shall be added to the file except assessments and recommendations by academic administrators as specified in this Collective Agreement, correspondence related to the evaluation process, or a reply to a negative assessment or recommendation. However, the parties agree that neither the correspondence nor a reply shall include any new, substantive material.
