

Update on Collective Bargaining Process:

December 20, 2018

On December 18th the MUNFA Negotiating Team met with the employer at their request. The sides discussed contract language related to right of first refusal and seniority.

The Conciliator is currently arranging times for the parties to meet in January, and we remain hopeful that bargaining will conclude with a mutually acceptable agreement.

**If you would like to schedule a meeting with MUNFA representatives please contact
Travis Perry, Membership Engagement & Communications Coordinator, at
