Dr. Hossain opened the meeting by making a Territorial Land Acknowledgement.

2. **Meeting Restrictions and Conduct**

Dr. Hossain thanked the attendees for joining the meeting and outlined the procedures to be followed for the Zoom video conference, reminding everyone that the meeting is restricted to MUNFA members, including MUNFA retirees and that while robust discussion and debate are welcome, the discussion must be conducted civilly as all MUNFA events are free of harassment and discrimination. Perry (MUNFA Organizing Membership, Engagement & Communications Coordinator) outlined the procedures and technical issues and polling features to be followed for the Zoom video conference, noting that for security purposes, the screen sharing feature has been turned off.

MOTION CARRIED

5. **Remarks from the CAUT President, Dr. Peter McInnis**

Dr. McInnis began by discussing the patterns that CAUT is seeing with regards to bargaining/conciliations that are happening across Canada and how it appears that the university administrations are attempting to drag out and stall negotiations with Faculty Associations as long as possible. There have been an unprecedented number of faculty strikes across Canada in the last year. Dr. McInnis noted that conciliation talks may or may not resolve issues and gave a brief update on the outcomes of several association strikes that have taken place. He listed 3 important issues to take into consideration during bargaining: 1) Communications - the importance of fast, accurate communication of the issues. CAUT has experts in communications and are always willing to assist faculty associations with their communication needs; 2) Collegial Governance – CAUT has an ad hoc committee on governance chaired by MUNFA member Dr. Robin Whitaker to look at the best practices in order to get a voice on the Board of Regents. Memorial University

is the only University in Canada without faculty representation on the Board of Governors. Universities need collegial governance in order for ASMs to fully participate in the decisions and policy making at the University; 3) Academic Freedom - CAUT has released policy statements on academic freedom. Dr. McInnis spoke about CAUT’s concerns regarding a pattern from the United States of attacking library resources/books and critical thinking. He noted that university administration like to speak for campuses as the only voice on issues and encouraged members remain a part of the dialogue.

Dr. McInnis concluded by advising that CAUT Defence Fund recently had an actuarial test and the defence fund is solid and has not been affected by the recent faculty association strikes. He noted that there are a lot of contracts coming up for re-negotiation. Dr. McInnis assured the membership that CAUT will provide any and all the support needed if conciliation talks do not resolve issues.

6. **President’s Report**

Dr. Hossain opened the meeting by announcing that Dr. Sevtap Savas (Medicine) is a recipient of the CAUT Dedicated Service award for exceptional service and dedication to the Association. Dr. Savas thanked MUNFA for the nomination. Dr. Hossain also introduced Dr. Daniela Silvesan (Mathematics & Statistics) as the new Term Appointed Member-at-Large on the 2022-23 MUNFA Executive Committee.

MUNFA has continued to raise concerns about a variety issues with the University Administration. Some of the important concerns are as follows:

**Collective Bargaining:** Dr. Hossain outlined the number of strikes that colleagues across Canada are facing and how they are fighting back against threats to the core research and teaching mandates of public universities. MUNFA’s Co-Chief Negotiators, Dr. J. Church and Dr. N. Power will provide a more detailed report later in the meeting. Dr. Hossain noted the importance MUNFA members being united and showing solidarity in order to reach a fair deal with the Administration.

**COVID-19:** Dr. Hossain acknowledged that MUNFA has heard from some ASMs regarding concerns now that MUN has lifted the mask mandate and that MUNFA shares these concerns. MUNFA continues to be in contact with the administration protesting the decision, but have been advised that the University is following provincial guidelines. Dr. Hossain stressed the importance of sharing any concerns regarding unsafe working conditions with MUNFA.

**Governance:** Dr. Hossain noted governance remains a major issue for MUNFA and for the operation of the University. MUN is the only University in Canada where faculty have no representation on the Board of Regents which is also very concerning as shared governance is crucial for a public university and its democratic mission. MUNFA has serious concerns regarding the numerous vacancies in the senior leadership of the university. MUN have been asked about timelines for filling those positions with permanent personnel but no concrete answer has been received from the administration.
In closing of the President’s report, Dr. Hossain thanked the MUNFA Executive Committee and committee volunteers who contribute to the work of the Association and encouraged other members to become involved in the very important work of the MUNFA. Dr. Hossain also introduced MUNFA Staff and thanked them individually for their work on behalf of the membership.

7. **Treasurer’s Report**

A copy of the MUNFA Financial Statement for 2020-2021 were distributed to the membership via IB2022/23:09.

The Treasurer’s report was given by the MUNFA Treasurer, Ms. Erin Alcock (QE II Library).

A) The Interim Financial Statement for 2021-2022 was distributed to the membership (IB IB2022/23:09). Ms. Alcock reviewed the statement with the membership noting that this is an interim financial report as of June 30, 2022. MUNFA remains in good financial standing, 2021-2022 saw an unprecedented number of Canadian faculty associations on strike and we sent strike support to each of these unions weekly while they walked the picket line. We were also able to give to local labour organizations in 2021-2022. MUNFA’s investment accounts are doing well. Ms. Alcock also referenced the MUNFA Scholarship donation form included at the end of the information bulletin and encouraged the MUNFA membership to contribute to the fund. Ms. Alcock thanked Kim O’Reilly (MUNFA Administrative Officer) for her assistance with the Treasurer’s financial duties.

8. **CAUT Defence Fund**

A) Dr. Brenda LeFrancois and Dr. Ash Hossain are the MUNFA CAUT Defence Fund Directors. Dr. Hossain provided an oral report, outlining the purposes of the Defence Fund, an update on the finances of the Fund and a brief overview of the history of the CAUT Defence Fund. Dr. Hossain also provided an update on the October Defence Fund meeting noting that a continuation of that meeting will be held in early November 2022 to discuss daily strike benefits. It was noted that the Policy and Planning Committee of the Defence Fund have been working to find suitable ways to restructure the Board of Directors. The Defence Fund will be contacting all Faculty Associations to discuss the proposed restructuring changes.
