SUBJECT: NL Rising Rally May 7, 2016

MUNFA has received the following media advisory from the Newfoundland and Labrador Federation of Labour and it is circulated below for your consideration.

NL Rising!
A Rally For Strong Communities, Good Jobs and Tax Fairness

The Newfoundland and Labrador Federation of Labour (NLFL), its affiliates and community partners will be holding a public rally in opposition to the drastic and regressive measures taken in the recent provincial budget. If passed, this budget will have a devastating impact on rural communities, our province's public services, seniors, women, youth, those most vulnerable and our economy as a whole.

This government had a number of options open to them, however, they chose to implement regressive and unfair tax measures, cut vital public services and jobs and failed to take action to stimulate our economy during the current recession.

DATE: Saturday, May 7th
TIME: Noon
LOCATION: Confederation Building

Attendees are encouraged to bring a non-perishable food item in aid of the Community Food Sharing Association.
