Dear Martin:

Memorial University of Newfoundland Faculty Association (MUNFA) voted unanimously to send additional financial support for the striking members of OPSEU in the sum of \$1,000.00 to assist in your fight for a fair, just and reasonable settlement in their negotiations. We are inspired by your courage and resolve as you stand up to an aggressive employer in defence of academic freedom, job security, and fair working conditions. Your struggle is critical for all of us.

In Solidarity,

Dr. Robin Whitaker
President, MUNFA
