

TO: All MUNFA Members

FROM: The MUNFA Executive Committee

DATE: January 11, 2021

SUBJECT: **Seeking Feedback on Interim Report of the Special Committee on Course Equivalencies**

As part of the most recently negotiated MUN/MUNFA Collective Agreement, the Parties signed a [Memorandum of Understanding \(MOU\)](#) establishing a Special Committee to determine universal principles of course equivalencies and standard course equivalencies for all Academic Staff Members (ASMs) teaching at the University. *(Note that since the original signing of the MOU, subsequent MOUs have been signed extending timelines for the Committee.)*

As per the MOU, the Special Committee has submitted an [Interim Report](#) to the Parties for consideration. The MUNFA Executive is now asking ASMs from all units to send comments on the Interim Report to membership.munfa@mun.ca. We ask that you submit feedback by **Wednesday, February 3, 2021**.

Once feedback has been received, MUNFA will compile the responses, remove respondents' names, and submit it to the Special Committee.
