

TO: All MUNFA Members
FROM: MUNFA Job Action Committee
DATE: January 20, 2023
SUBJECT: Strike Duties Questionnaire

With the announcement of MUNFA members' historic strike vote on Jan. 18 and the strike deadline — set for **January 30 at 12:01 a.m.** — MUNFA's Job Action Committee is preparing for the possibility of a strike. All members are requested to fill out the Strike Duties Questionnaire ([link here and below](#)) so that the Job Action Committee can make appropriate arrangements while respecting the needs of members.

As outlined in the Strike FAQ on the MUNFA website (https://munfa.ca/agreements_type/strike-faq), members will be expected to cease their regular employment duties in the event of a strike, and to complete 2.5 hours of strike work per day, Monday-Friday. Members fulfilling these strike duties will be paid \$150/day (paid 7 days/week, for a total of \$1,050/week). The Strike Duties Questionnaire will allow the Job Action Committee to schedule members into a variety of strike duties, ensuring that a number of crucial strike functions are adequately staffed.

This questionnaire includes questions about shift preferences; duty preferences; accessibility needs; and contact information.

Please be advised that, per the Strike Protocol signed by MUNFA and the MUN administration on Jan. 19, 2023, **sabbaticants are considered on strike and thus must complete strike duties to qualify for strike pay.** This is contrary to what MUNFA had advocated for at the table.
